

GIVE YOUR CAREER A NEW SWING AND DISCOVER THE PROFESSIONAL POSSIBILITIES WITHIN AVANTOR

Use your Clinical Trials experience in a new way!

You think you have already seen everything in the world of Clinical Trials? We believe we have something new for you. Join our newest multi-million Euro investment to build a modern Sample Management hub for Clinical Trials projects.

Avantor is looking for people with Clinical Trails background to develop our new Biorepository site in Kriftel. This is a brand-new site supporting many customers with their Clinical Trials by safely storing their samples. Experience in the area of biorepository is not necessary, but if you have a good experience in Clinical Trials and you want to do something else, we are interested to talk with you.

We are looking to fill the following roles:

- Quality Assurance
- Project Management
- Teamleader

Site facts:

- Modern site for the storage of sample and archive materials in a wide range of environmental conditions
- Seamless monitoring of storage areas, redundant supply systems
- 4000m² GLP certified areas for storage and sample preparation
- Space for 400 freezer units, various cold rooms, 20 cryogenic storage units
- Ideally connected to the European logistics network - only 15 km from Frankfurt airport
- Opened in November 2020

Please have a look to our short video about the construction of the brand-new Biorepository in Kriftel. <https://bit.ly/3vmmz50>
